This figure is a detailed cadastral map of a coastal region, likely in Estonia. The map shows numerous land parcels, each outlined in red and filled with various patterns representing different ownership or usage types. The parcels are labeled with names such as 'Kogu laht', 'Hara laht', 'Jämijõe poolaar', 'HARJU MAARIND', and 'Hara see'. The map also depicts several bodies of water, including 'Kogu laht' and 'Hara laht' on the west side, and 'Hara see' on the east side. A prominent green diagonal line runs from the top right towards the bottom left, intersecting the coastline and some of the land parcels. The map is oriented with a north arrow pointing upwards.
