BETWEEN
THE REPUBLIC OF INDIA
AND
THE REPUBLIC OF ESTONIA
FOR THE AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF
FISCAL EVASION
WITH RESPECT TO TAXES ON INCOME

The Republic of India and the Republic of Estonia, desiring to conclude an Agreement for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and with a view to promoting economic cooperation between the two countries, have agreed as follows:

Article 1
PERSONS COVERED

This Agreement shall apply to persons who are residents of one or both of the Contracting States.

Article 2
TAXES COVERED

1. This Agreement shall apply to taxes on income imposed on behalf of a Contracting State or of its political subdivisions or local authorities, irrespective of the manner in which they are levied.
2. There shall be regarded as taxes on income all taxes imposed on total income, or on elements of income, including taxes on gains from the alienation of movable or immovable property and taxes on the total amounts of wages or salaries paid by enterprises.
3. The existing taxes to which the Agreement shall apply are in particular:

- a) in India, the income tax, including any surcharge thereon;
(hereinafter referred to as "Indian tax");
 - b) in Estonia, the income tax;
(hereinafter referred to as "Estonian tax").
4. The Agreement shall apply also to any identical or substantially similar taxes that are imposed after the date of signature of the Agreement in addition to, or in place of, the existing taxes. The competent authorities of the Contracting States shall notify each other of any significant changes that have been made in their respective taxation laws.

Article 3 GENERAL DEFINITIONS

1. For the purposes of this Agreement, unless the context otherwise requires:
- a) the term "India" means the territory of India and includes the territorial sea and airspace above it, as well as any other maritime zone in which India has sovereign rights, other rights and jurisdiction, according to the Indian law and in accordance with international law, including the U.N. Convention on the Law of the Sea;
 - b) the term "Estonia" means the Republic of Estonia and, when used in the geographical sense, means the territory of Estonia and any other area adjacent to the territorial waters of Estonia within which, under the laws of Estonia and in accordance with international law, the rights of Estonia may be exercised with respect to the sea bed and its sub-soil and their natural resources;
 - c) the terms "Contracting State" and "the other Contracting State" mean the Republic of India or the Republic of Estonia as the context requires;

 - e) the term "company" means any body corporate or any entity that is treated as a body corporate for tax purposes;
 - f) the term "enterprise" applies to the carrying on of any business;
 - g) the terms "enterprise of a Contracting State" and "enterprise of the other Contracting State" mean respectively an enterprise carried on by a resident of a Contracting State and an enterprise carried on by a resident of the other Contracting State;

2. As regards the application of the Agreement at any time by a Contracting State, any term not defined therein shall, unless the context otherwise requires, have the meaning that it has at that time under the law of that State for the purposes of the taxes to which the Agreement applies. Any meaning under the applicable tax laws of that State prevails over a meaning given to the term under other laws of that State.

Article 4 RESIDENT

1. For the purposes of this Agreement, the term "resident of a Contracting State" means any person who, under the laws of that State, is liable to tax therein by reason of his domicile, residence, place of management, place of incorporation or any other criterion of a similar nature, and also includes that

State and any political subdivision or local authority thereof. This term, however, does not include any person who is liable to tax in that State in respect only of income from sources in that State.

2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting States, then his status shall be determined as follows:
 - a) he shall be deemed to be a resident only of the State in which he has a permanent home available to him; if he has a permanent home available to him in both States, he shall be deemed to be a resident only of the State with which his personal and economic relations are closer (centre of vital interests);
 - b) if the State in which he has his centre of vital interests cannot be determined, or if he has not a permanent home available to him in either State, he shall be deemed to be a resident only of the State in which he has an habitual abode;
 - c) if he has an habitual abode in both States or in neither of them, he shall be deemed to be a resident only of the State of which he is a national;
 - d) if he is a national of both States or of neither of them, the competent authorities of the Contracting States shall settle the question by mutual agreement.
3. Where by reason of the provisions of paragraph 1, a person other than an individual is a resident of both Contracting States, then the competent authorities of the Contracting States shall endeavour to resolve the case by mutual agreement due regard being had to its place of effective management or to any other relevant criterion. In the absence of such agreement, such person shall not be considered to be a resident of either Contracting State for the purposes of enjoying benefits under the Agreement.

Article 5 PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of an enterprise is wholly or partly carried on.
2. The term "permanent establishment" includes especially:
 - a) a place of management;
 - b) a branch;
 - c) an office;

- d) a factory;
 - e) a workshop;
 - f) a sales outlet;
 - g) a warehouse in relation to a person providing storage facilities for others;
 - h) a farm, plantation or other place where agricultural, forestry, plantation or related activities are carried on; and
 - i) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources.
3. a) A building site or construction, installation or assembly project or supervisory activities in connection therewith constitutes a permanent establishment only if such site, project or activities lasts more than nine months.
- b) The furnishing of services, including consultancy services, by an enterprise through employees or other personnel engaged by the enterprise for such purpose, constitutes a permanent establishment but only where activities of that nature continue (for the same or connected project) within the country for a period or periods aggregating more than six months within any 12-month period.
4. Notwithstanding the preceding provisions of this Article the term "permanent establishment" shall be deemed not to include:
- a) the use of facilities solely for the purpose of storage or display of goods or merchandise belonging to the enterprise;
 - b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage or display;
 - c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
 - d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise or of collecting information, for the enterprise;
 - e) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity of a preparatory or auxiliary character;
 - f) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs a) to e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2, where a person – other than an agent of an independent status to whom paragraph 6 applies – is acting in a Contracting State on behalf of an enterprise of the other Contracting State, that enterprise shall be deemed to have a permanent establishment in the first-mentioned Contracting State in respect of any activities which that person undertakes for the enterprise, if such a person:
 - a) has and habitually exercises in that State an authority to conclude contracts in the name of the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph; or
 - b) has no such authority, but habitually maintains in the first-mentioned State a stock of goods or merchandise from which he regularly delivers goods or merchandise on behalf of the enterprise; or
 - c) habitually secures orders in the first-mentioned State, wholly or almost wholly for the enterprise itself.
6. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business. However, when the activities of such an agent are devoted wholly or almost wholly on behalf of that enterprise, he will not be considered an agent of an independent status within the meaning of this paragraph.
7. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

Article 6
INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.
2. The term "immovable property" shall have the meaning, which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, any rights of claim in respect of immovable property, livestock and equipment

used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships, boats and aircraft shall not be regarded as immovable property.

3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.
4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

Article 7 BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.
2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.
3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere. The expenses to be allowed as deductions by a Contracting State shall include only the expenses that are deductible under the domestic laws of that State. However, no such deduction shall be allowed in respect of amounts, if any, paid (otherwise than towards reimbursement of actual expenses) by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents, know-how or other rights, or by way of commission or other charges for specific services performed or for management, or, except in the case of banking enterprises, by way of interest on moneys lent to the permanent

establishment. Likewise, no account shall be taken, in the determination of the profits of a permanent establishment, for amounts charged (otherwise than towards reimbursement of actual expenses), by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents, know-how or other rights, or by way of commission or other charges for specific services performed or for management, or, except in the case of a banking enterprise, by way of interest on moneys lent to the head office of the enterprise or any of its other offices.

4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.
5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.
6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.
7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

Article 8 SHIPPING AND AIR TRANSPORT

1. Profits derived by an enterprise of a Contracting State from the operation of ships or aircraft in international traffic shall be taxable only in that State.
2. Profits derived by a transportation enterprise which is a resident of a Contracting State from the use, maintenance, or rental of containers (including trailers and other equipment for the transport of containers) used for the transport of goods or merchandise in international traffic shall be taxable only in that Contracting State unless the containers are used solely within the other Contracting State.
3. For the purposes of this Article interest on investments directly connected with the operation of ships or aircraft in international traffic shall be regarded as profits derived from the operation of such ships or aircraft if they are integral to

the carrying on of such business, and the provisions of Article 11 shall not apply in relation to such interest.

4. The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

Article 9 ASSOCIATED ENTERPRISES

1. Where
 - a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
 - b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting State includes in the profits of an enterprise of the State – and taxes accordingly – profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.

Article 10 DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.
2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the beneficial owner of the dividends is a resident of the other

Contracting State, the tax so charged shall not exceed 10 per cent of the gross amount of the dividends. This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term "dividends" as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.
4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.
5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

Article 11 INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.
2. However, such interest may also be taxed in the Contracting State in which it arises, and according to the laws of that State, but if the beneficial owner of the interest is a resident of the other Contracting State, the tax so charged shall not exceed 10 per cent of the gross amount of the interest.
3. Notwithstanding the provisions of paragraph 2, interest arising in a Contracting State shall be exempt from tax in that State, provided that it is derived and beneficially owned by:

- a) the Government, a political sub-division or a local authority of the other Contracting State; or
 - b) (i) in the case of India, the Reserve Bank of India; and
(ii) in the case of Estonia, the Bank of Estonia; or
 - c) any other institution as may be agreed upon from time to time between the competent authorities of the Contracting States through exchange of letters.
4. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. The term "interest" shall not include any income, which is treated as a dividend under the provisions of Article 10. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.
5. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be shall apply.
6. Interest shall be deemed to arise in a Contracting State when the payer is a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.
7. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

Article 12
ROYALTIES AND FEES FOR TECHNICAL SERVICES

1. Royalties or fees for technical services arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.
2. However, such royalties or fees for technical services may also be taxed in the Contracting State in which they arise, and according to the laws of that State, but if the beneficial owner of the royalties or fees for technical services is a resident of the other Contracting State the tax so charged shall not exceed 10 per cent of the gross amount of the royalties or fees for technical services.
3. a) The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work including cinematograph films or films or tapes used for television or radio broadcasting, any patent, trade mark, design or model, plan, secret formula or process, or for the use of, or the right to use, industrial, commercial or scientific equipment, or for information concerning industrial, commercial or scientific experience.

b) The term "fees for technical services" as used in this Article means payments of any kind, other than those mentioned in Articles 14 and 15 of this Agreement as consideration for managerial or technical or consultancy services, including the provision of services of technical or other personnel.
4. The provisions of paragraph 1 and 2 shall not apply if the beneficial owner of the royalties, or fees for technical services being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties or fees for technical services arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties or fees for technical services are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.
5. a) Royalties and fees for technical services shall be deemed to arise in a Contracting State when the payer is that State itself, a political sub-division, a local authority, or a resident of that State. Where, however, the person paying the royalties or fees for technical services, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties or fees for technical services was incurred, and such royalties or fees for technical services are borne by such permanent establishment or fixed base, then such royalties or fees for technical services shall be deemed to

arise in the Contracting State in which the permanent establishment or fixed base is situated.

b) Where under sub-paragraph a) royalties or fees for technical services do not arise in one of the Contracting States, and the royalties relate to the use of, or the right to use, the right or property, or the fees for technical services relate to services performed, in one of the Contracting States, the royalties or fees for technical services shall be deemed to arise in that Contracting State.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties or fees for technical services, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

2. Where income in respect of personal activities exercised by an entertainer or a sportsperson in his capacity as such accrues not to the entertainer or sportsperson himself but to another person, that income may, notwithstanding the provisions of Articles 7, 14 and 15, be taxed in the Contracting State in which the activities of the entertainer or sportsperson are exercised.

However, this paragraph shall apply only for a period not exceeding two years from the date the individual first visits the first mentioned State.

Article 23
METHODS FOR ELIMINATION OF DOUBLE TAXATION

Double taxation shall be eliminated as follows:

1. In India:
 - a) Where a resident of India derives income which, in accordance with the provisions of this Agreement, may be taxed in Estonia, India shall allow as a deduction from the tax on the income of that resident, an amount equal to the tax paid in Estonia.

Such deduction shall not, however, exceed that portion of the tax as computed before the deduction is given, which is attributable, as the case may be, to the income which may be taxed in Estonia.
 - b) Where in accordance with any provision of the Agreement income derived by a resident of India is exempt from tax in India, India may nevertheless, in calculating the amount of tax on the remaining income of such resident, take into account the exempted income.
2. In Estonia:
 - a) Where a resident of Estonia derives income which, in accordance with the provisions of this Agreement, has been taxed in India, Estonia shall, subject to the provisions of sub-paragraphs b) and c) exempt such income from tax.
 - b) Where a resident of Estonia derives income which in accordance with the provisions of paragraph 2 of Articles 10, 11 and 12 may be taxed in India,

Estonia shall allow as a deduction from the tax on the income of that resident an amount equal to the tax paid in India. Such deduction shall not, however, exceed the part of the tax, as computed before the deduction is given, which is attributable to such items of income derived from India.

- c) Where in accordance with any provision of the Agreement income derived by a resident of Estonia is exempt from tax in Estonia, Estonia may nevertheless, in calculating the amount of tax on the remaining income of such resident, take into account the exempted income.

Article 24 NON-DISCRIMINATION

1. Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.
2. The taxation on a permanent establishment, which an enterprise of a Contracting State has in the other Contracting State, shall not be less favorably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities. This provision shall not be construed as preventing a Contracting State from charging the profits of a permanent establishment which a company of the other Contracting State has in the first mentioned State at a rate of tax which is not more than ten percentage points higher than that imposed on the profits of a similar company of the first mentioned Contracting State, nor as being in conflict with the provisions of paragraph 3 of Article 7.
3. Except where the provisions of paragraph 1 of Article 9, paragraph 7 of Article 11, or paragraph 6 of Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State.
4. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

5. The provisions of this Article shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.
6. The provisions of this Article shall, notwithstanding the provisions of Article 2, apply to taxes of every kind and description.

Article 25
MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 24, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.
2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.
3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.
4. The competent authorities of the Contracting States may communicate with each other directly, for the purpose of reaching an agreement in the sense of the preceding paragraphs. When it seems advisable in order to reach agreement to have an oral exchange of opinions, such exchange may take place through a Commission consisting of representatives of the competent authorities of the Contracting States.

Article 26
EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information (including documents or certified copies of the documents) as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting States, or of their political subdivisions or local authorities, insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Articles 1 and 2.
2. Any information received under paragraph 1 by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions. Notwithstanding the foregoing, information received by a Contracting State may be used for other purposes when such information may be used for such other purposes under the laws of both States and the competent authority of the supplying State authorises such use.
3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting State the obligation:
 - a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
 - b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
 - c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information the disclosure of which would be contrary to public policy (*ordre public*).
4. If information is requested by a Contracting State in accordance with this Article, the other Contracting State shall use its information gathering measures to obtain the requested information, even though that other State may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

Article 27

ASSISTANCE IN THE COLLECTION OF TAXES

1. The Contracting States shall lend assistance to each other in the collection of revenue claims. This assistance is not restricted by Articles 1 and 2. The competent authorities of the Contracting States may by mutual agreement settle the mode of application of this Article.
2. The term "revenue claim" as used in this Article means an amount owed in respect of taxes of every kind and description imposed on behalf of the Contracting States, or of their political subdivisions or local authorities, insofar as the taxation thereunder is not contrary to this Agreement or any other instrument to which the Contracting States are parties, as well as interest, administrative penalties and costs of collection or conservancy related to such amount.
3. When a revenue claim of a Contracting State is enforceable under the laws of that State and is owed by a person who, at that time, cannot, under the laws of that State, prevent its collection, that revenue claim shall, at the request of the competent authority of that State, be accepted for purposes of collection by the competent authority of the other Contracting State. That revenue claim shall be collected by that other State in accordance with the provisions of its laws applicable to the enforcement and collection of its own taxes as if the revenue claim were a revenue claim of that other State.
4. When a revenue claim of a Contracting State is a claim in respect of which that State may, under its law, take measures of conservancy with a view to ensure its collection, that revenue claim shall, at the request of the competent authority of that State, be accepted for purposes of taking measures of conservancy by the competent authority of the other Contracting State. That other State shall take measures of conservancy in respect of that revenue claim in accordance with the provisions of its laws as if the revenue claim were a revenue claim of that other State even if, at the time when such measures are applied, the revenue claim is not enforceable in the first-mentioned State or is owed by a person who has a right to prevent its collection.
5. Notwithstanding the provisions of paragraphs 3 and 4, a revenue claim accepted by a Contracting State for purposes of paragraph 3 or 4 shall not, in

that State, be subject to the time limits or accorded any priority applicable to a revenue claim under the laws of that State by reason of its nature as such. In addition, a revenue claim accepted by a Contracting State for the purposes of paragraph 3 or 4 shall not, in that State, have any priority applicable to that revenue claim under the laws of the other Contracting State.

6. Proceedings with respect to the existence, validity or the amount of a revenue claim of a Contracting State shall only be brought before the courts or administrative bodies of that State. Nothing in this Article shall be construed as creating or providing any right to such proceedings before any court or administrative body of the other Contracting State.

7. Where, at any time after a request has been made by a Contracting State under paragraph 3 or 4 and before the other Contracting State has collected and remitted the relevant revenue claim to the first-mentioned State, the relevant revenue claim ceases to be:

a) in the case of a request under paragraph 3, a revenue claim of the first-mentioned State that is enforceable under the laws of that State and is owed by a person who, at that time, cannot, under the laws of that State, prevent its collection, or

b) in the case of a request under paragraph 4, a revenue claim of the first-mentioned State in respect of which that State may, under its laws, take measures of conservancy with a view to ensure its collection,

the competent authority of the first-mentioned State shall promptly notify the competent authority of the other State of that fact and, at the option of the other State, the first-mentioned State shall either suspend or withdraw its request.

8. In no case shall the provisions of this Article be construed so as to impose on a Contracting State the obligation:

a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;

b) to carry out measures which would be contrary to public policy (ordre public);

c) to provide assistance if the other Contracting State has not pursued all reasonable measures of collection or conservancy, as the case may be, available under its laws or administrative practice;

d) to provide assistance in those cases where the administrative burden for that State is clearly disproportionate to the benefit to be derived by the other Contracting State.

Article 28
LIMITATION OF BENEFITS

1. Nothing in this Agreement shall affect the application of the domestic provisions to prevent tax evasion or tax avoidance.
2. Benefits of this Agreement shall not be available to a resident of a Contracting State, or with respect to any transaction undertaken by such a resident, if the main purpose or one of the main purposes of the creation or existence of such a resident or of the transaction undertaken by him, was to obtain benefits under this Agreement that would not otherwise be available.
3. The case of legal entities not having *bona fide* business activities shall be covered by the provisions of this Article.
4. Where by reason of this Article a resident of a Contracting State is denied the benefits of this Agreement in the other Contracting State, the competent authority of the other Contracting State shall notify the competent authority of the first-mentioned Contracting State.

Article 29
MEMBERS OF DIPLOMATIC MISSIONS AND CONSULAR POSTS

Nothing in this Agreement shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special agreements.

Article 30
ENTRY INTO FORCE

1. The Contracting States shall notify each other in writing, through diplomatic channels, of the completion of the procedures required by the respective laws for the entry into force of this Agreement.
2. This Agreement shall enter into force on the date of the later of the notifications referred to in paragraph 1 of this Article.
3. The provisions of this Agreement shall have effect:
 - a) in India, in respect of income derived in any fiscal year beginning on or after the first day of April next following the calendar year in which the Agreement enters into force; and
 - b) in Estonia:
 - (i) in respect of taxes withheld at source, on income derived on or after the first day of January next following the year in which the Agreement enters into force;

(ii) in respect of other taxes on income, for taxes chargeable for any fiscal year beginning on or after the first day of January next following the year in which the Agreement enters into force.

Article 31

TERMINATION

This Agreement shall remain in force indefinitely until terminated by a Contracting State. Either Contracting State may terminate the Agreement, through diplomatic channels, by giving notice of termination at least six months before the end of any calendar year beginning after the expiration of five years from the date of entry into force of the Agreement. In such event, the Agreement shall cease to have effect:

a) in India, in respect of income derived in any fiscal year on or after the first day of April next following the calendar year in which the notice is given;

b) in Estonia,

(i) in respect of taxes withheld at source, on income derived on or after the first day of January next following the year in which the notice is given;

(ii) in respect of other taxes on income, for taxes chargeable for any taxation year beginning on or after the first day of January next following the year in which the notice is given.

1. Ad Article 5

It is understood that on the date of signing of this Agreement none of the agreements for the avoidance of double taxation concluded by Estonia provide for special provision deeming an insurance enterprise of a Contracting State to have a permanent establishment in the other Contracting State if it collects premiums or insures risks in the territory of that other State otherwise than through an agent of independent status.

However, if after that date, such special provision is included in any agreement for the avoidance of double taxation concluded by Estonia, then the competent authority of Estonia shall notify the competent authority of India about such inclusion and after consultations between the competent authorities of the Contracting States, such provision shall also be considered for this Agreement.

2. Ad Article 6

It is understood that all income and gains from the alienation of immovable property referred to in paragraph 2 of Article 6 and situated in a Contracting State may be taxed in that State in accordance with the provisions of Article 13 of this Agreement.

In witness whereof the undersigned, duly authorized thereto, have signed this Protocol.
