2. The Competent Authorities of the Contracting Parties shall notify each other about their other governmental railway transport authorities as well as their terms of reference and competence.

ARTICLE 3
Scope of cooperation

1. Without prejudice to European Union legislation the Competent Authorities and other governmental authorities, public railway infrastructure managers and licensed railway undertakings of the Contracting Parties shall cooperate, including but not limited to, in the following areas:

international carriage of passengers and goods by rail between the territories of the Contracting Parties;
the achievement of the highest possible degree of uniformity in the regulations, standards, procedures and methods of organisation relating to railway vehicles, railway personnel, railway infrastructure and auxiliary services;
implementing and developing of Rail Baltica project and accelerating international railway traffic on the railway line Tallinn-Riga-Vilnius.
2. The Contracting Parties cooperate in carrying out specific programmes and joint projects and organize training, seminars, studies, exchange of experience, specialist group meetings, round tables, and peer contacts.

3. This Agreement shall be applied without prejudice to European Union legislation and any action resulting from the application of this Agreement must be consistent with European Union legislation. If the application of this Agreement is in conflict with the European Union legislation, the Agreement will be amended by the Contracting Parties in order to remove the inconsistency.

**ARTICLE 4**

**Recognition of documents**

Without prejudice to European Union legislation each Contracting Party recognizes the professional qualifications documents, licences, certificates and permits of the other Contracting Parties in accordance with their national legislation and regulations.

**ARTICLE 5**

**Public railway infrastructure managers**

1. The Competent Authorities shall notify each other about the public railway infrastructure managers in the countries of the Contracting Parties.

2. To optimise the international railway traffic, the public railway infrastructure managers of the Contracting Parties shall conclude relevant agreements between them on the use of cross-border infrastructure.

**ARTICLE 6**

**Carriage of passengers and goods**

1. International carriage of passengers and goods by rail on the territories of the Contracting Parties shall be performed according to European Union legislation and international agreements.

2. International carriage of passengers and goods by rail is managed by the licensed railway undertakings, if necessary concluding contracts between them.

**ARTICLE 7**

**Joint Committee**

1. For the application of this Agreement the Competent Authorities shall establish a Joint Committee formed from the delegates designated by these Competent Authorities.

2. This Joint Committee shall meet at the request by the Competent Authority of any Contracting Party. Meetings of the Joint Committee shall be held alternately in the territories of the Contracting Parties.
ARTICLE 8
Settlement of disputes

Any disagreements concerning the interpretation or the application of this Agreement shall be settled by consultation between the Contracting Parties.

ARTICLE 9
Entry into force, amendments and termination

1. The Government of the Republic of Latvia shall act as the official Depository for this Agreement.

2. This Agreement shall enter into force on the first day of the second month following the date the Depository has received through diplomatic channels the last written notification stating that the necessary national legal requirements for this Agreement to enter into force have been completed. The Depository shall inform the Contracting Parties of each notification received and the entry into force date of this Agreement.

3. This Agreement may be amended by mutual written agreement between the Contracting Parties. Such amendment shall enter into force in accordance with the procedures stipulated in paragraph 2 of this Article.

4. Each Contracting Party may terminate this Agreement at any time by written notification to the Depository, which shall notify the other Contracting Parties through diplomatic channels of each such notification and the date of the receipt thereof. The termination to this Contracting Party shall take effect six (6) months after the receipt of such notification by the Depository. This Agreement shall remain in force between other Contracting Parties.

5. The Agreement between the Government of the Republic of Estonia and the Government of the Republic of Latvia on cooperation in the field of railway, signed in Druskininkai, on 7 November, 2003 shall terminate on the date of entry into force of this Agreement.
