

Tabulated overview of the obligation to submit the building notice or building design documentation and to apply for building permit						
Activity	Erection Construction	Remodelling	Expansion by 33% or less	Expansion by more than 33%	Replacement of elements with equivalent ones	Demolition
Building						
Residential buildings and buildings required to service them						
Ground projection area: 0-20 m²; height: up to 5 m	n/a	n/a	n/a	n/a	n/a	n/a
Ground projection area: 20-60 m²; height: up to 5 m	Building notice and building design documentation	Building notice	Building notice	Building notice and building design documentation	n/a	Building notice and building design documentation
Ground projection area: 0-60 m²; height: over 5 m	Building permit	Building notice and building design documentation	Building notice and building design documentation	Building permit	n/a	Building permit
Ground projection area: over 60 m²	Building permit	Building notice and building design documentation	Building notice and building design documentation	Building permit	n/a	Building permit
Non-residential buildings						
Ground projection area: 0-20 m²; height: up to 5 m	Building notice	n/a	n/a	Building notice	n/a	Building notice
Ground projection area: 20-60 m²; height: up to 5 m	Building notice and building design documentation	Building notice and building design documentation	Building notice and building design documentation	Building notice and building design documentation	n/a	Building notice and building design documentation
Ground projection area: 0-60 m²; height: over 5 m	Building permit	Building notice and building design documentation	Building notice and building design documentation	Building permit	n/a	Building permit
Ground projection area: over 60 m²	Building permit	Building permit	Building permit	Building permit	n/a	Building permit

Civil engineering works	Operation Erection Construction Installation	Remodelling	Expansion	Replacement of elements with equivalent ones	Demolition
Railroad civil engineering works					
Electronic interlockin	Building permit	Building permit	Building permit	n/a	Building permit
Software application (such as dispatch central, telematics application, etc.)	Building notice	Building notice	Building notice	n/a	Building notice
Railroad radio network	Building notice	Building notice	Building notice	n/a	Building notice
Automatic block signaling	Building permit	Building permit	Building permit	n/a	Building permit
Semi-automatic or combined block signaling	Building permit	Building permit	Building permit	n/a	Building permit
Overhead lines	Building permit	Building permit	Building permit	n/a	Building permit
Railway tracks	Building permit	Building permit	n/a	n/a	Building permit
Level crossing	Building permit	Building notice	Building permit	n/a	Building permit
Automatic level crossing lights	Building permit	Building permit	Building permit	n/a	Building permit
(Railroad) bridges	Building permit	Building permit	Building permit	n/a	Building permit
Culvert bridges	Building permit	Building notice	Building permit	n/a	Building permit
Passenger or freight platforms	Building permit	Building permit	Building permit	n/a	Building permit
Railroad stations	Building permit	Building permit	Building permit	n/a	Building permit
Roads					
Public roads	Building permit	Building permit	Building permit	n/a	Building permit
Private roads accessible to public	Building permit	Building permit	Building permit	n/a	Building notice
Bridges, overpasses, tunnels	Building permit	Building permit	Building permit	Building permit	Building permit
Aviation civil engineering works					
Aerodrome	Building permit	Building permit	Building permit	Building permit	Building permit

Aerodrome take-off and landing runways	Building permit	Building permit	Building permit	Building notice	Building permit
Aerodrome servicing road	Building permit	Building permit	Building permit	Building notice	Building permit
Harbour facilities and construction works that are located in a public water body and that have a permanent connection to the shore					
Quays whose ground projection area is 0-60 m²	Building notice and building design documentation	Building notice and building design documentation	Building notice and building design documentation	Building notice	Building notice
Quays whose ground projection area exceeds 60 m²	Building permit	Building permit	Building permit	Building notice	Building notice
Breakwaters and moles whose ground projection area is 0-60 m²	Building notice and building design documentation	Building notice and building design documentation	Building notice and building design documentation	Building notice	Building notice
Breakwaters and moles whose ground projection area exceeds 60 m²	Building permit	Building permit	Building permit	Building notice	Building notice
Locks	Building permit	Building notice	Building permit	Building notice	Building notice
Harbour facilities serving safety, security, communication, lighting purposes, and facilities serving power or technical purposes	Building notice and building design documentation	Building notice	Building notice	n/a	Building notice
Floating docks	Building notice	Building notice	Building notice	Building notice	Building notice
Other construction works that are located in a public water body, that have a permanent connection to the shore and whose ground projection area is up to 10 m²	Building notice	n/a	Building notice	n/a	Building notice
Other construction works that are located in a public water body, that have a permanent connection to the shore and whose ground projection area	Building permit	Building notice	Building permit	Building notice	Building permit

exceeds 10 m²,

Construction works that are located in a public water body and that do not have a permanent connection to the shore, including construction works that have a functional connection to the shore

Construction works that are located in a public water body and that do not have a permanent connection to the shore	Building permit	Building permit	Building permit	Building notice	Building permit
--	-----------------	-----------------	-----------------	-----------------	-----------------

Harbour facilities required for the servicing of water craft	Building permit	Building permit	Building permit	Building notice	Building permit
---	-----------------	-----------------	-----------------	-----------------	-----------------

Water traffic facilities that have a functional connection to the shore in a harbour	Building permit	Building permit	Building permit	Building notice	Building permit
---	-----------------	-----------------	-----------------	-----------------	-----------------

Utility lines or works that are located in a public water body and that are required for the servicing of construction works located on the shore (except for such lines or works that cross the national border or a boundary between counties)	Building permit	Building permit	Building permit	Building notice	Building permit
---	-----------------	-----------------	-----------------	-----------------	-----------------

Sport or recreational facilities that do not have a permanent connection to the shore and that service a bathing beach	Building notice	Building notice	Building notice	n/a	Building notice
---	-----------------	-----------------	-----------------	-----	-----------------

Lifting equipment

Cableways	Building permit	Building permit	Building permit	n/a	Building permit
------------------	-----------------	-----------------	-----------------	-----	-----------------

Freestanding fixed cranes	Building permit	Building permit	Building notice and building design documentation	n/a	Building permit
----------------------------------	-----------------	-----------------	---	-----	-----------------

Pressure equipment, gas and electrical installations

Pressure equipment subject to the audit requirement (including heat piping)	Building permit	Building notice	n/a	n/a	Building permit
Building-external gas installations subject to the audit requirement	Building permit	Building permit	n/a	n/a	Building notice
Overhead, underground or underwater lines of 35-50 kV and/or the relevant substations	Building permit	Building notice	Building notice	n/a	Building notice
Overhead, underground or underwater lines of 50 kV or more and the relevant substations	Building permit	Building notice	Building permit	n/a	Building notice
Power generation facilities with a generation capacity that exceeds 100 kW	Building permit	Building permit	Building permit	n/a	Building notice
Power generation facilities with a generation capacity of up to 100 kW	Building permit	Building permit	Building notice	n/a	Building notice
Communication and telecommunication installations					
Line facilities (except for line devices and communication poles), i.e. underground cables, underwater cables, cable tunnels, cable conduits, overhead wiring, equipment containers	Building permit	Building notice	Building notice and building design documentation	n/a	Building notice
Wires (communications wires that connect a consumer terminal to the connection point)	Building notice	Building notice	Building notice	n/a	Building notice
Communications poles, radio or television towers	Building permit	Building permit	Building permit	Building notice	Building notice

Water supply and sewage piping

Water and sewer mains	Building permit	Building permit	Building permit	Building notice	Building permit
------------------------------	-----------------	-----------------	-----------------	-----------------	-----------------

Public water supply and sewage piping	Building permit	Building permit	Building permit	Building notice	Building permit
--	-----------------	-----------------	-----------------	-----------------	-----------------

Single-property water supply and sewage piping (incl. any auxiliary devices), except where covered by the building permit issued for the building or other civil engineering work	Building notice and building design documentation	Building notice and building design documentation	Building notice and building design documentation	Building notice	Building notice
--	---	---	---	-----------------	-----------------

Civil engineering works serving sewage disposal purposes

Collection tank, collection well or septic tank as a separate construction work	Building notice	Building notice	Building notice	Building notice	Building notice
--	-----------------	-----------------	-----------------	-----------------	-----------------

Sewage treatment unit with a capacity below 5 m³ per 24-hour day	Building notice and building design documentation	Building notice and building design documentation	Building notice and building design documentation	Building notice	Building notice
--	---	---	---	-----------------	-----------------

Other construction works serving sewage disposal purposes	Building permit	Building notice and building design documentation	Building permit	Building notice and building design documentation	Building notice
--	-----------------	---	-----------------	---	-----------------

Other construction works serving water management purposes

Surface water catchments	Building permit	Building permit	Building permit	Building notice	Building permit
---------------------------------	-----------------	-----------------	-----------------	-----------------	-----------------

Dug wells	Building notice	Building notice	n/a	n/a	Building notice
------------------	-----------------	-----------------	-----	-----	-----------------

Drilled wells that have a yield rate of more than 10 m³ per 24-hour day or that serve more than 50 people	Building permit	Building permit	n/a	n/a	Building notice and building design documentation
---	-----------------	-----------------	-----	-----	---

Drilled wells that have a yield rate of less than 10 m³ per 24-hour day or that serve fewer than 50 people	Building permit	Building notice and building design documentation	n/a	n/a	Building notice and building design documentation
--	-----------------	---	-----	-----	---

Boreholes	Building permit	Building permit	n/a	n/a	Building notice and building
------------------	-----------------	-----------------	-----	-----	------------------------------

					design documentation
Dams	Building permit	Building notice	Building permit	Building notice	Building permit
Flood protection embankments	Building permit	Building notice and building design documentation	Building notice and building design documentation	Building notice	Building notice
Water reservoirs	Building permit	Building notice and building design documentation	Building permit	n/a	Building permit
Civil engineering works for irrigation and drainage purposes	Building permit	Building notice and building design documentation	Building permit	n/a	Building notice
Sport and recreation facilities					
Sport and recreational facilities with a public function, including playgrounds	Building permit	Building permit	Building permit	Building notice	Building notice
Construction works that serve national defence purposes and construction works of security authorities					
Training facilities located in training areas	Building permit	Building notice	Building permit	n/a	Building permit
Shooting range	Building permit	Building notice	Building permit	n/a	Building permit
Specialised civil engineering works					
Monuments, sculptures, memorials, fountains and other such civil engineering works whose height exceeds 5 m and which have a public function	Building permit	Building notice	Building notice	n/a	Building notice
Shelter roofing whose ground projection area exceeds 20 m², signs and billboards whose surface area exceeds 4 m² and whose height exceeds 2,5 m, flagpoles over 10 m in height	Building notice and building design documentation	n/a	n/a	n/a	Building notice
Fencing or gates whose	Building notice and building	n/a	Building notice	n/a	Building notice

building involves excavation work	design documentation					
Decking elevated to more than 1 m above ground	Building notice	n/a	n/a	n/a	Building notice	
Landfill facilities	Building permit	n/a	Building permit	n/a	Building permit
